

## **MAINTENANCE WORKER II/CDL**

### **DISTINGUISHING FEATURES**

The fundamental reason the Maintenance Worker II/CDL exists is to perform semi-skilled heavy equipment operation work in the field of Landscape Maintenance in the city parks, medians, right of ways, and well sites in the Parks, Recreation and Facilities Department. This classification is not designated supervisory. Work is performed under general supervision by a Maintenance Worker III or Recreation Coordinator. The Maintenance Worker II/CDL is a journey level position and distinguished from the Maintenance Worker I by the experience, ability to work independently without close supervision and the certifications required.

### **ESSENTIAL FUNCTIONS**

Uses a variety of hand tools, operates heavy equipment including kabota, back hoe, front loader, trencher, and dump truck. Operates an EZ-GO cart and drives city vehicles.  
Performs ground keeping route duties such as policing park areas, cleaning ramadas and maintaining parks and surrounding facilities to ensure areas are safe, litter free and clean.  
Performs pruning, planting, trimming, fertilizing and general upkeep of the City's medians and right-of-ways and/or parks and surrounding grounds areas.  
Uses proper traffic barricading and control while working in medians and rights of ways.  
Checks irrigation systems for proper watering schedule; installs, maintains and repairs irrigation system lines, heads and controllers; troubleshoots controllers and electrical problems; performs minor repairs; and assists in inspection of contractor projects.  
Preps professional baseball fields and recreation softball fields by dragging compacted soil and high spots and fills in dirt to obtain a smooth surface; maintains infields and running areas to obtain optimum playing conditions.  
Performs as a team player that works and communicates effectively with City staff and citizens. Maintains a detailed written log of activities performed, and the amount of time spent on each activity.  
Works independently with little, or no immediate supervision, and makes proper decisions using sound judgment.  
Calibrates seed and fertilizer spreaders to uniformly plant seed or fertilize turf; calibrate and apply correctly liquid fertilizer and herbicides  
Plants and prunes trees and shrubs utilizing proper methods according to Arizona Landscape Professional standards.
